First Look Games is a pioneering platform designed to bridge the gap between game studios and iGaming affiliates. By providing affiliates with direct access to game data and marketing assets, First Look Games helps studios promote their new and existing titles with greater efficiency and reach. With access to over 900 affiliates globally, the platform empowers studios with streamlined marketing and real-time reporting while ensuring affiliates can generate compliant, high-quality content that effectively showcases each game.

## Features:

- Centralized asset management for developers
- Real-time performance reporting & insights
- Compliance tools
- Marketing support for premium exposure

- Direct communication tools with affiliates
- Analytics & sentiment analysis
- Network promotion of tournaments
- Accuracy Management
