First Look Games is a pioneering platform designed to bridge the gap between game studios and iGaming publishers. By providing publishers with direct access to game data and marketing assets, First Look Games helps studios promote their new and existing titles with greater efficiency and reach. With access to over 1020 affiliates globally, the platform empowers studios with streamlined marketing and real-time reporting while ensuring publishers can generate compliant, high-quality content that effectively showcases each game.

Features:

- Centralised asset management for developers
- Real-time performance reporting & insights
- Compliance tools
- Marketing support for premium exposure
- FLG Index Scoring/Benchmarking
- · Analytics & sentiment analysis
- Network promotion of tournaments
- Accuracy Management
