HOLY MOP!
**EXTREME
POWER**

The logo for 'Holy Mop! Extreme Power' is centered in the upper half of the image. It features the words 'HOLY MOP!' in a large, bubbly, pink font with a thick black outline. Below this, the words 'EXTREME' and 'POWER' are stacked in a green, blocky font with a blue outline. The entire text is set against a blue, diamond-shaped background with a yellow border. Two large, stylized yellow flames or wings flank the central text. The background of the top half of the image shows a golden temple interior with columns and a night sky with a full moon.

**CURSED
MOON**
POWER COLLECTION

The logo for 'Cursed Moon Power Collection' is centered in the lower half of the image. It features the words 'CURSED' and 'MOON' in a large, gold, blocky font with a black outline. The text is set against a dark, jagged, purple and black background that resembles a bat's wings or a cursed moon. Below the main text, the words 'POWER COLLECTION' are written in a smaller, gold font inside a decorative banner. The background of the bottom half of the image shows a dark, red, rocky landscape with a large, glowing red moon.

First Look Games Analytics

Better visibility for sharper studio decisions

Studios need clear, practical insight into how their games, competitors and potential partners are performing across the affiliate landscape. First Look Games Analytics helps studios understand where coverage is happening, identify stronger commercial opportunities and make better-informed decisions on partnerships, outreach and market focus.

Website Directory

The Website Directory gives studios a clearer view of the affiliate websites in the First Look Games network. Websites are classified by useful commercial signals, including market, traffic, domain authority and First Look Games site score, helping studios assess potential partners more quickly and focus on the publishers most relevant to their games and target markets.

What it helps you do

- See which publishers are active in your target markets
- Compare potential partners using clearer context
- Prioritise outreach based on relevance
- Spend marketing time and budget more effectively
