The lower half of the image depicts an Egyptian-themed game environment. In the center, a large, ornate golden frame contains the text "EGYPTIAN LEGENDS" in a bold, serif font. Above the text is a winged goddess figure with blue and purple wings and a golden headdress. To the left of the frame stands a blue bird-like creature with a golden headdress and a white skirt. To the right stands a blue, muscular figure with a red and white striped headdress, holding a golden staff topped with an ankh. The background features golden columns, a large sphinx, and treasure chests filled with gold coins. The scene is brightly lit with a warm, golden glow.

First Look Games Analytics

Better visibility for sharper studio decisions

Studios need clear, practical insight into how their games, competitors and potential partners are performing across the affiliate landscape. First Look Games Analytics helps studios understand where coverage is happening, identify stronger commercial opportunities and make better-informed decisions on partnerships, outreach and market focus.

Website Directory

The Website Directory gives studios a clearer view of the affiliate websites in the First Look Games network. Websites are classified by useful commercial signals, including market, traffic, domain authority and First Look Games site score, helping studios assess potential partners more quickly and focus on the publishers most relevant to their games and target markets.

What it helps you do

- See which publishers are active in your target markets
- Compare potential partners using clearer context
- Prioritise outreach based on relevance
- Spend marketing time and budget more effectively
